and Orana Mexicana Cactii and Succulent Gardens

29 Newell Highway, Gilgandra 2827

NEW SEASON'S LIST OF CACTII AND SUCCULENT SEEDLINGS AND ADVANCED PLANTS AND CUTTINGS FOR 2012

All plants are \$2.00 each unless otherwise marked. Minimum charge for packing and posting (on small parcels) \$7.00, larger parcels will naturally cost more. Plants are always sent at the buyer's risk, as I cannot be held responsible once plants have been dispatched. Parcel registration available at \$3.05 extra.

If possible when ordering, please list a few substitutes as some varieties are in short supply, (money refunded otherwise). This list cancels all previous lists of mine. Nursery generally open weekends, please phone first. Telephone number (02) 6847 0566 (A/H).
