Two trophies are awarded annually. The Johanna Stark Trophy will be awarded to the Novice exhibitor and the Bill Dunstan Trophy will be awarded to the Open exhibitor, each of whom gain the highest number of points (from both Shows for the year) in all Sections in which they are eligible to enter.

13. **A trophy is awarded at each show for the Best Match of Pot and Plant. This is to be known as the Joan Cairis Trophy.**
14. All plants on Show Benches must be clearly labelled with a generic name and preferably a specific name.
15. **Class Eligibility:** Please ensure that your plants are placed in the correct class. Incorrectly placed plants will be marked NAS (Not As Schedule), and not judged. If in any doubt, please ask.
16. **Competitor Number:** On a table in the Show room is a list of past competitors and their competitor numbers. A new competitor writes their name against the next available number which then becomes their competitor number.
17. **Placing Plants:** On the benches you will find sheets of adhesive labels. Write your Competitor Number on a label for each of your entries (maximum three (3) in each Section). This label should then be placed on the front of each entry in all sections, but only on one (1) pot in a Section where more than one pot constitutes an entry. This number needs to be clearly visible to the Judges and Stewards.
18. **Plants MUST be left on the Show Benches until the scheduled closing time for the Show.**

Any Plants not claimed at the end of the Show will become the property of the Society and may be disposed of for the benefit of the Society
